

fida amy nurdiana afikoh

L200170075

Kelas C

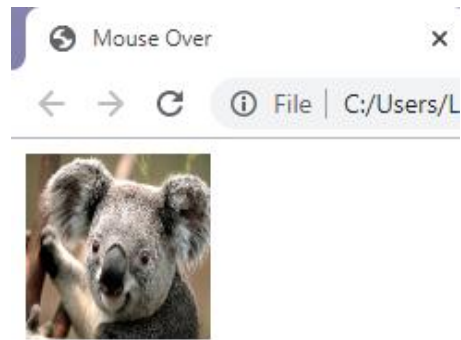

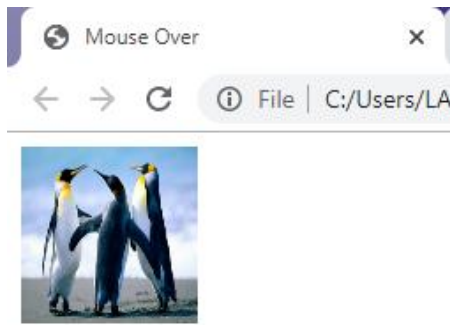

## Percobaan

### Percobaan 1

### Percobaan 2

### Percobaan 3

```

C: > Users > LABSI-01 > Documents > PWD mod 8 > counter.html > html > body > form
1  <html>
2  <head>
3    <title>Counter</title>
4    <script>
5      function CountMax()
6      {
7        var wert,max;
8        max = 100
9        wert = max-(document.form1.question.value.length);
10       if (wert < 0){
11         alert("Maaf batas maximum pengisian adalah "+max+"karakter !");
12         document.form1.question.value = document.form1.question.value.substring(0,max);
13         wert = max-(document.form1.question.value.length);
14         document.form1.rv_counter.value = wert;
15       }else{
16         document.form1.rv_counter.value= max-(document.form1.question.value.length);
17       }
18     }
19   </script>
20 </head>
21 <body>
22   <form action="" name="form1" method="POST">
23     <textarea name="question" id="question" cols="60" rows="3" onfocus="CountMax();" onkeydown="CountMax();" onkeyup="CountMax()"
24       <font face="Arial, Helvetica, sans-serif, Bookman Old Style, Comic Sans MS" size="2">sis</font>
25     <input type="text" name="rv_counter" size="5" maxlength="3" value="100" readonly>
26   </form>
27 </body>
28 </html>
  
```

 A screenshot of a web browser window with the title 'Counter'. The address bar shows 'File | C:/Users/LABSI-01/Docume'. The main content area contains a form with a text input field containing the text 'fida amy nurdiana afikoh', 'L200170075', and 'Kelas C'. To the right of the text input is a small input field labeled 'sis' with the value '56'.

## Percobaan 4

```
